YIN FAMILY + MANAGEMENT

• Indicates cooked

Due to special pricing, we can't offer modifications to our Happy Hour items. Thank you for understanding.

Thoroughly cooking foods reduces the risk of food borne illness. Individuals with certain health conditions may be at a higher risk if these foods are consumed raw or undercooked. Consult your physician or public health official for further information.

We will do our best to meet any dietary restriction you might relay to us. However, we cannot guarantee that there will be no cross contamination of food. If your allergy is life-threatening, please use your best judgment as to what foods to consume.
