SPICY ITEMS IN RED

Due to special pricing, we can't offer modifications to our Happy Hour items. Thank you for understanding.

The icon  indicates items which are either raw or rare. Thoroughly cooking foods reduces the risk of foodborne illness. Individuals with certain health conditions may be at a higher risk if these foods are consumed raw or undercooked. Consult your physician or public health official for further information.

The icon  indicates menu items which are either gluten free as prepared or modified to be gluten free on request. Please ask for gluten free soy sauce. Please be aware that the handcrafted nature of our menu items, variety of procedures in our kitchens, cross-contamination with ingredients containing gluten and our reliance on suppliers may result in variations in the ingredients of these menu items. We therefore make no guarantees regarding the gluten content of these items. We will do our best to meet any dietary restriction you might relay to us. However, we cannot guarantee that there will be no cross contamination of food. If your allergy is life-threatening, please use your best judgment as to what foods to consume.
